

35 Gallon Recycling and Garbage Containers Have Arrived!

Please be advised that the distribution of 35 gallon recycling and trash containers for those residents having requested them will begin the week of Monday, March 27th. If you currently have any 64 gallon containers, kindly have them visible from the street so they may be collected as the 35 gallon containers are delivered to your residence. Should the delivery of your smaller container coincide with a garbage or recycling collection day, please leave your larger containers out post-collection so our City crew can pick them up on a following day. Any empty 64 gallon containers will be collected as requested on distribution day. Should you have any questions or wish to place a request, please call Cheryl Bäck at 904-270-2400 X31 for assistance.
